

GIVING FOR THE FUTURE

Gifts that Grow and Bloom Forever

The Frederik Meijer Gardens & Sculpture Foundation, established in 1993, is a single-purpose Foundation with an endowment fund to support the Frederik Meijer Gardens & Sculpture Park.

Financial support from the Foundation's endowment plays an important role in maintaining the world-class botanical gardens, sculpture collections, art and educational programs which have become the hallmark of the Frederik Meijer Gardens & Sculpture Park.

A gift or pledge of \$1,000 or more qualifies for permanent recognition at the Gardens.

Donors are entitled to establish a named fund, restricted or unrestricted, by making a gift or pledge of \$10,000 or more.

Membership to the Perennial Society is available to individuals who have made a provision in their wills or estate plans for a gift of \$10,000 or more to the Foundation. To qualify for membership in the Perennial Society and to receive permanent recognition at the Gardens, donors must submit a copy of the gift provision in their estate plan, or have other written documentation, verifying that the \$10,000 minimum has been met. If the plan calls for a percentage of the estate's remainder, and the amount will be over \$10,000, a written statement from the estate planner, tax consultant or attorney would meet the requirement for membership.

Individuals who do not qualify for membership in the Perennial Society, but provide written verification that they have put the Foundation in their wills or estate plans, receive recognition in the category of "Others Who Have Remembered the Foundation in their Estate Planning."
